South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by providing opportunities for students to develop the necessary skills at an early age to begin their successful journey towards college and career readiness. Davis Early Childhood Center for Technology offers over twenty student-selected activity clubs that address the world class skills. The Designing and Engineering, Lego Stories under Construction, and Student Surrealism Clubs enhance the world class skills of creativity and innovation. Students learn to think critically and solve problems through the Mad Scientists Club, Weather Bugs, Recycling, and Student Leadership. Students learn the importance of collaboration and teamwork through participation in Basketball, Cheerleading, Davis Chefs, Soccer, Fitness, and Gymnastics. Communication, information, media and technology are key concepts for our Video Reporters, Photography, Passport to Cultural Experiences, Spanish Club, Military Pen Pals, Techno Squad, and Newspaper Crew. Brain Breaks, Authors Alive, and Book Studies teach our children how to learn and find the resources they need in the learning process. Our Rigorous Curriculum Design also addresses the world class skills. Students may participate in engaging scenarios, problem-based learning, performance tasks, Montessori infused classrooms, Universal Design for Learning, technology-enhanced instruction, and Response to Intervention to master the rigorous standards in all content areas. The life and career characteristics are addressed daily as we infuse the Habits of Mind in our instruction and through our guidance program. We regularly recognize students demonstrating the Dragon's R.O.A.R. characteristics of being respectful, organized, achieving, and responsible. Parents are involved in various programs outside of our classrooms that focus on the development of the whole child, including Dr. Seuss Celebration Week Activities, College and Career Readiness Days, Career Fair, Books and Breakfast, Pirate's Reading Treasure Hunt, Carolina/Clemson Countdown for Math, and Literacy Fair. Our professional development supports our vision to nourish and develop the whole child through high expectations for success, differentiated instruction, innovative technology, cultural sensitivity, and community outreach. We appreciate the continued support and involvement from our parents, business partners, and community to realize this vision. Karen S. Moore, Chair of the School Improvement Council Vicki J. Traufler, Ph.D., Principal
